GENERAL COUNCIL CLOSES.

Successful Session of Sisters of the Holy Cross at St. Mary's.

Special to the Indianapolis Journal. SOUTH BEND, Ind., Aug. 20 .- The annual general council of the sisters of the Congregation of the Holy Cross has been in session for several days at St. Mary's Academy. The council has charge of about forty-five houses and St. Mary's is the mother house. Nearly 900 assignments of sisters were made to these various houses. No changes were made at St. Mary's Academy and no changes were made in the heads of the various houses.

The summer school, which has been in progress, closed with these assignments. The school was very successful, the time being devoted to normal training and general class work. St. Mary's Academy will open for its fall term on Sept. 8. The academy is already receiving many inquiries, and its daily mall is something enormous. The prospects are unusually flattering and it is believed the attendance will be far ahead of any previous year.

DR. LIPES

Cures Consumption and All Diseases of the Pulmonary Tract-Any One Can Prove the Doctor's Claims, Free.

In diseases of the throat and lungs, such as Consumption, Bronchitis, Asthma, Catarrh, Hay Fever and La Grippe, it is very necessary that you go to the most celebrated medical expert for advice and examination. Dr. Lipes has made a special study of these diseases and has discovered a positive antidote for the consumption germ. The compound that he introduces into the boold and tissues is as surely destructive of these deadly microbes as fire is destructive of straw. But the destruction of the mirobes is only part of his treatment. After he has rid the body of the tubercle bacilli he builds up the entire constitution-all the nerves, muscles and organs that have become affected by this wasting disease and when he declares you cured you will be in better physical health than

You know that consumption is contagious, so it is wrong for you to go around suffering when you can just as well be cured. Every time you cough or spit you endanger the life of some one near and dear to you. You can tell if you have consumption by coughing, spitting, bleeeding consumption by coughing, spitting, bleeding from the lungs or hemorrhages, night sweets, hectic fover, emaolation and debility, diarrhood, derangement of the liver, etc. Call on the doctor and let him examine you. It will cost you nothing, and the visit will in no way bind you to continue treatment

Catarrh and Bronchitis Can Be Cured. In the same manner as "great caks from little acorns grow," so do catarrh and bronchitis come from a "little cold," and these difficulties develop into consumption. While very common think, so we say have your catarrh or bronchia trouble cured when the first symptoms present

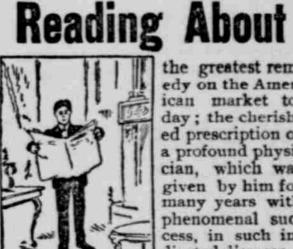

Hay Fever and Asthma Can Be Cured. It is no longer necessary to go to the moun-tains to find relief from Hay Fever. You can cured in your own home and without expense traveling. If you have Asthma and are unable to sleep because your breath comes in spasmodic gasps, do not take the advertised remedies, all of which contain opium, laudanum, cocaine, etc., drugs that will induce sleep and at the same time makes you their slaves. Both these diseases can be cured by recently-discovered and scientific methods. The doctor stands ready to prove this statement by offering free treatment to all who call.

Free Trial Treatment for All. The doctor prepares a separate treatment for each individual case. To prove to you in a practical way that he has a cure for every disease according to his claims, you have only to call on him and he will give you a trial treatment especially compounded for you. This costs you nothing, so come and get it. If you live out of the city and can't conveniently call, write a description of your case and the free trial will be sent you by mail. It will cost you nothing and the visit will in no way bind you to continue the treatment. Special attention given to
